

CMFAA President's Statement

I am deeply honored to have this privilege to serve as president of the CMFAA. I know that it would be a big challenge and adventure, and I personally feel very confident that the job will get done. My goal is to continue to promote and preserve the Filipino-American culture and contribute to the well being of all members as well as the community.

The CMFAA is a catalyst for meeting people with common backgrounds, sharing the beauty of the Filipino culture. Our events are geared towards bringing together Filipino-Americans in our region to experience some sense of being back home. I would like to recognize all the past officers for what they have done for our organization. Their dedication and continued support help this organization continue to grow and thrive today. Their energy, enthusiasm and experience help those who are new become ready to take on new challenges and to share her/his strengths and skills.

I know that it is not easy to balance the demands of home, work and social life. I am extremely proud and thankful to all who stepped forward and volunteered to help me lead this organization. I do appreciate all your support. To our members, I would like to say thank you for all your continued support. The strength and success of our organization rely on all of us. Together we will make a difference.

For those who have not joined yet, please take the time to attend our events and meet the members. Enjoy some good times, and get a chance to try our Filipino cuisine. Let us give you the personal experience of Filipino-American warmth, comfort and friendship.

Sincerely Yours,
Leonora Poulin
